

Part No.	Approx. Wt.
ULTRAFILL25	25 lbs.
ULTRAFILL	50 lbs.

## Ultrafill Features & Benefits

Features	Benefits
98.6% Pure Carbon	Environmentally friendly, no corrosive effect from sulfates
No Bentonite or Concrete Fillers	Will not shrink away from electrode as does ones that have these fillers
Lowest in Resistivity	Provides the best conductivity as compared to other products
No Mixing Necessary	Easier to install, no mix, no mess; doesn't need water to make it effective
